Dear Miss Levine:-

Got here Sunday morning, 3½ hours late, after a horrible trip. Sure had some time, but am glad to be back here.

I came to an agreement with Cohn whereby I take all of his civil cases & all criminal cases that come direct to me. I have some sort of a chance anyhow, & hope to make good (honestly, too).

Do you go over to the home yet? How did you find them? Well, got nothing more, so will close,

Yours Sincerely,
Joe Freedman
